Thermal Printer Cleaning Card Series 112

4" x 6" (101,6mm x 152,4mm)

This Waffletechnology Thermal Printer Cleaning Card utilizes a single layer of material to create a presaturated disposable product. The cleaning card will safely and effectively remove all dirt, ink, tape and adhesive residue, and other contaminants from thermal print heads, paper guides and paper paths. This product will improve printer quality and legibility. It will also increase output, print head life, printer reliability and performance.

Features:

- 1) Advanced cleaning waffles that gently remove burnt on contaminants.
- 2) Rotates rollers for a complete cleaning.
- 3) Advanced cleaning solvent that is both effective and safe.

Use on:

- POS Terminal Printers
- Label Printers
- Direct/Thermal Transfer Printers
- ATB Ticket Printers
- Bar Code Printers
- ID Card Printers

Pouch Back

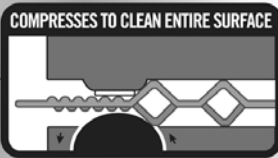

Recommended Usage:

Use the Waffletechnology Thermal Printer Cleaning Card before inserting every new roll of label, ticket, paper or ribbon stock.

Directions:

1. Turn power off on the Thermal Printer.
2. Remove the label, ticket, paper or ribbon stock from the feed path and insert cleaning card.
3. Press form feed or manually pull the cleaning card using both hands until the entire card has been pulled free.
4. Repeat process if necessary.
5. Properly dispose of the used card.
6. The Thermal Printer is READY for immediate use.

Waffletechnology™

COMPRESSES TO CLEAN ENTIRE SURFACE

The cleaning waffles create a soft scrubbing action on the Printhead removing contaminants distorting the thermal print image when printed. The waffles also rotate the rollers 360 degrees cleaning them thoroughly.
