## Bixelon Waffletechnology Thermal Printer Cleaning Card

Front of Pouch

# BIXOLON

## Waffletechnology Thermal Printer Cleaning Card

This Waffletechnology Thermal Printer Cleaning Card utilizes a soft fabric imbedded into a plastic core to create a presaturated disposable product. The cleaning waffles offer additional pressure and scrubbing power to delicately yet effectively remove all dirt, tape and adhesive residue, ink and other contaminants from thermal print heads, paper guides and paper paths. This Waffletechnology product will improve printer quality and legibility. It will also increase output, print head life, printer reliability and performance.

### Use On:

- Portable Hand-Held Thermal Printers
- Label Printers
- Direct/Transfer Thermal Printers
- Airline Ticket Bag Tag (ATB) Printers
- Barcode Printers
- Receipt Printers

Back of Pouch

### Recommended Usage:

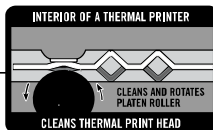

Use this Waffletechnology Thermal Printer Cleaning Card before inserting every new roll of label, ticket, paper or ribbon stock.

### Directions:

1. Turn power off on the thermal printer.
2. Remove the label, ticket, paper or ribbon stock from the feed path.
3. Remove card from pouch and insert into the feed path.
4. Press from feed or manually pull the cleaning card using both hands until the entire card has been pulled free.
5. Repeat process if necessary.
6. Properly dispose of the used card.

The Thermal Printer is READY for immediate use.

### Waffletechnology®

The cleaning waffles create a soft scrubbing action on the Print head, removing contaminants that distort the thermal print image when printed. The waffles also rotate the rollers 360 degrees, cleaning them thoroughly.

Caution: Flammable. Contains 99.7% Isopropyl Alcohol

Waffletechnology® is a registered trademark of the Manufacturer. Patent Pending

Made in the U.S.A.
